

JUST THINKING.....

Pastor Stan

Greetings,

I hope that each and everyone of you reading this are doing well. Those of you who know me know that I find my strength and courage in music and the Word of God.

It's 11:15 Monday night and the words to "His Eye is on the Sparrow", keeps ringing in my ear especially the second verse:

**Let not your heart be troubled
His tender words I hear
And resting on God's goodness
I lose all doubts and fear
For by the path He leads
That one day I may see
His Eye is one the sparrow
And I know He watches me.**

These lyrics are quite comforting and reassuring that no matter what we face in life, God is with us. Over the course of the past week, we seen a preview of the toll the Coronavirus outbreak can take on our country. As I read and listen to the news, I can't help but think about the impact it will have on the great state of Illinois in particular.

Let's continue to follow the guidelines issued by the Center for Disease Control.

- 1) Wash hands regularly**
- 2) Avoid groups of 10 or more**
- 3) Pay attention symptoms and contact your health provider if needed**

As believer let's continue to pray for one another.

STAY WELL AND STRONG!
