

JUST THINKING III
PASTOR STAN

I have discovered through conversations and discussions that there are many who have become depressed and overwhelmed over the current invisible enemy coronavirus. It appears that there are more problems than solutions. I'd like to share with you my thoughts and hopefully remind us of this wonderful season of Lent.

This is what happened in Gethsemane, Jesus was handed over. There are some translations that say Jesus was "betrayed" but the Greek says "to be handed over". In Mark 14:10, the bible says Judas handed Jesus over. But the remarkable thing is that the same word is used not only for Judas ;but also for God. God did not spare Jesus, but handed him over to benefit us all, Romans 8 verse 32.

What great confidence I draw from this! If the entire world can be restored by one act of God, then how much more confident can I be that I too, will be saved if I just hand myself over to him? In other words, put ourselves aside and allow ourselves to be tools and instruments for God. Try replacing depression, anger, rage or whatever it is that's causing you to question, where is God or losing hope--- hand it over to God.

Remember, the words of the 23rd Psalm, though I walk through the valley of the shadow of death, God is with me.

HAND IT ALL OVER TO GOD!
