

JUST THINKING IX
Pastor Stan

Hello Bethel Wesley Family and Friends;

I was thinking about life in general this morning and how we have both peaks and valleys. When everything seems to be alright and life is going as planned, that's the peak. But before you know it, we find ourselves in the valley, and we can look at it either as a curse or as a blessing.

As I read and meditated on Psalm 23 this morning, the takeaway for me was if the sheep stayed on the peak, they would never find the green pastures of the valley. My church family please think about that for a moment.

And when it comes time to go through the valley of death, Christ will safely guide all who believe to live with him forever. A blessing indeed.

WE WILL GET THROUGH THIS TOGETHER!

*My hope is built on nothing less
Than Jesus blood and righteousness
I dare not trust the sweetest frame but wholly lean
On Jesus name*
