

JUST THINKING VI PASTOR STAN

3

Matthew 7:11

Dear Bethel Wesley and friends

God is love. There, whenever we reflect on who God is and what it means to be in a covenant relationship with him, actually we find ourselves reflecting on how to love.

The greatest example of God's love is the Incarnation. God became one of us to show us how to love and then demanded that we, in turn, love like he does. I believe that Jesus held nothing back from us- Jesus shared the entirety of his divine life with us through his life, death and resurrection. To Pastor Stan that means if we strive to be perfect, it is necessary that we become willing vessels, willing to let GOD empower us to give all of ourselves to God and to one another, without resentment or holding back. Yes, even when it's hard, even when it may not be appreciated.

This is my daily prayer, Jesus, teach me to give myself away so you can use me. And create in me a clean heart that loves truthfully.

I understand that coronavirus is the talk of the day and yes we should be concerned. But my fellow believers let's also remember that it's THE SEASON OF LENT.

STAY PRAYEFUL, SAFE AND BY ALL MEANS HEALTHY
