

***JUST THINKING XI
PASTOR STAN***

Ask, and it will be given to you, seek, and you will find, knock; and the door will be opened to you. Matthew 7:7

Hello Bethel Wesley and friends,

James 4:2 says, “You do have, because you do not ask”. As we journey thru this Lenten Season and deal with the coronavirus pandemic, I would like to remind everyone that asking is important, especially in our relationship with God. When we take the position of asking, I believe we become humble before God. As a matter of fact we become like children who trust their parents to give them what they need. To ask of God is to know and love God as our Father, you know Jesus often asked of God and received all he needed. Let’s all of us who follow him continue to do the same.

People of faith, I’m asking you to remember to pray that God would heal our land. Please pray for all our first responders, doctors, nurses and all health care professionals, families and those suffering because of the virus.
