

**JUST THINKING* HOLY WEEK AND GOOD FRIDAY
PASTOR STAN**

The church has long included the reality of Jesus' arrest, death, burial and resurrection in the various affirmations of faith (the Apostles' Creed, etc.). It is important for people of faith to slow down and consider (or reconsider) the magnitude of all that happened as Jesus approached and endured the cross. The questions that were asked in the midst of this world-changing event are important for believers to wrestle with and answer before God.

My question for you is; What is the most important event that happened during Holy Week for you that helps you to understand the cost of your salvation? Please pause and take your time recording your response.

***In the meantime: WE WILL GET THROUGH THIS
STAY PRAYERFUL, HEALTHY AND SAFE***

Much LOVE, Pastor Stan
